# Retreat Hill Star Club

## HOW DOES THE STAR CLUB WORK?

Your Star Club selections will be hand chosen by the winemaker. Valuable information detailing the harvest, the vineyards and the wine, as well as, unique recipes created specifically for pairing with the wines are enclosed with each selection.

Star Club members may pick up selections at the winery or have selections shipped to them. Due to limited production of some Star Club wines, pick-up members have two weeks to pick up their selections. After that time, another wine may be substituted if a prior selection has sold out, and the wine club selection will be shipped.

Star Club shipments will be delivered via UPS or Lone Star Overnight. A daytime shipping address with someone 21 or older who can sign for delivery is required on all alcohol shipments.

Star Club shipments may be temporarily postponed to certain locales due to extreme hot or cold weather. If this occurs, affected members will be notified.
